1) Todd Smith - Todd would like to know ITAA official word on Travel Ball and where ITAA stands for travel ball. Todd stated that he would like it documented in the minutes that he is not to be held responsible for innings pitched during travel ball games/babe ruth games interfering and the pitching records not being correct for each week.

2) Dennis Gamble - Fells we are looking in the wrong direction where kids are concerned, not having a lot of competition in babe ruth league this year..
