

Soccer Sponsorship Form

Serving the children of Union County.... Since 1972!

ITAA was established in 1972 to service the growing demand for organized sports in Western Union County. Over the last 35 years, ITAA a non-profit organization run by volunteers has raised money to provide these activities (Baseball, Softball, Soccer, Basketball and Cheerleading) for all families in the surrounding area. The youth of today are our future. ITAA is proud to offer our youth the experience of learning teamwork and the thrill of competition through a variety of sports. This takes numerous financial resources. If your organization or employer has the desire to “team-up” with ITAA to provide this experience to our youth, please consider contributing financially as one of our proud Soccer Sponsors.
